Meet Your Travel Guides

Relatable, adventurous, and a bit mischievous, the Career Crew is the perfect team of travel guides for any class. Combining learning with fun, they're sure to captivate and inspire.

Zuri:

The superhero. She's upbeat, curious, and unstoppable!

Fact Dragon:

The teacher. Scholarly and kind, she's got a fact, and just in time.

Volt:

The navigator. He's always prepared to lead an adventure!

Beep-9:

The student. Mischief is his middle name...

A Digital Learning Odyssey into WORLDS of Possibilities

With VJS Junior, students make connections between the academic work they do now and the dreams they'll achieve later. Comprehensive lessons support initiatives to provide all students with a well-rounded education. They align with ASCA Mindsets and Behavior Standards, National Career Development Guidelines, Common Core Standards, Texas Essential Knowledge and Skills, Georgia Standards of Excellence, and many other standards. VJS Junior underscores the real-world importance of:

Take your whole class on a journey together, or let students explore independently. Lessons are differentiated into three grade bands: **K-1, 2-3, and 4-5**. Each covers one of the following 17 Career Clusters:

- Law and Public Safety
- Arts and Communications
- Architecture and Construction
- Manufacturing
- Transportation and Logistics
- Education and Training
- STEM (Science, Technology, Engineering, Mathematics)
- Government
- Agriculture, Food, and Natural Resources
- Hospitality and Tourism
- Business and Administration
- Finance
- Health Science
- Human Services
- IT (Information Technology)
- Energy
- Marketing and Sales
